

Agreement of Conduct

I understand that I am participating in a Penn State University credit course during the entire trip and that all the University rules and regulations governing student conducts are applicable. This includes the University Student Disciplinary Code. I also understand, as in any course, the instructors are fully responsible for ensuring that proper conduct and decorum is maintained at all times.

The following specific policies apply:

1. All participants are expected to attend all programs and sessions related to the course.
2. Participants are expected to be on time for all scheduled events.
3. No smoking is allowed during any program or session and is only allowed during a participant's free time and away from any non-smokers.
4. The use of alcoholic beverages is allowed under three conditions.
 - a. That it is permitted by the laws of the country or region we are visiting.
 - b. That its use is done in a responsible and non-excessive manner.
 - c. There will be no consumption of alcohol during working hours (which may include night shifts) or abuse of alcohol at anytime.
5. Any illegal use of drugs is prohibited.
6. Inappropriate, disruptive or unprofessional behavior will not be tolerated.
7. Curfews may be imposed, if disruptive behavior becomes evident.

I understand and agree to all the policies on conduct stated above and fully understand that my grade in the course and/or my status as a student or as a CHANCE teacher with The Pennsylvania State University may be affected by not adhering to these policies. I also understand that these policies have a zero tolerance level and that I will be immediately sent home at my own expense for breaking any of these policies.

*Additionally, Dr. Patricia Vathis from the Pennsylvania Department of Education will require a 100% reimbursement of a CHANCE participant's stipend if any of the above mentioned policies are broken.
